Part 1 Min Brief:

- Ask for additional intel on CI
- Encourage deployment of additional security FPT - be proactive Top 8 airports, Hamilton airport, top 5 ports and 2 railways.
- Jump on emerging
- RPAS ID requirements
- TDG How many fines?
- Enforcement- do more. Write a letter?
- Playbook or guidebook.
- Track 2 work? Additional authorities

Part 3 - Tow Trucks

- 5 elements of an escalating strategy - owner / driver drives away, 3rd party drives; mechanic enables and 3rd party drives away, tow truck, push it aside (e.g. bull dozer)
- Input into RFA response
- Insurance company - talks to VPs. . . Get message out. . . If you don't support there will be repercussions - PPSC
- Drivers? ID gov't employees (at all levels) who can drive such trucks
- Revise the strategy based on discussion
- Need to connect with the Ops folks - Public Safety to lead
